

# (Re) Connecting the Care Management Community!

Virtual Conference November 8 – 10, 2021

## Call for Presentations

Join your colleagues from across the State to share ideas, learn best practices and enhance care coordination to best provide quality services for the adults, children and families we serve! It is essential for us to re-connect as a community to support one another and to meet the many challenges, demands and opportunities of care coordination.

The NYS Care Management Coalition strives to provide state-of-the-art educational programming, data/information and networking opportunities on best practices in care coordination for professionals in the behavioral health and substance use disorder community. The Coalition welcomes proposals for conference presentations on the topics listed.
